

Introducing RAM Credit

- ✓ What are they?
- ✓ How to earn them?
- ✓ How to spend them?

What is it?

A RAM credit is **exclusively available** to all RAM Tracking customers, used to mitigate engineer costs for the refitting / defitting of tracking units and dashcams.

What do I earn from referrals?

Successful Appointment demonstration of the RAM Tracking system

£40

Sale of RAM Tracking on 3-5 vehicles

£65

Sale of RAM Tracking on 6-19 vehicles

£125

Sale of RAM Tracking on 20+ vehicles

£275

How do I claim my RAM credit?

1

Once we've **demonstrated the system** or secured the contract, you can choose your own reward.

2

If you opt for the RAM Credit, the value will be **automatically added** to your existing account.

3

You can **earn as much RAM Credit** as you like.

What can I use RAM credit for?

Engineer costs **quickly add up** over your fleet of vehicles. Cash your RAM Credit in on Defits, Refits, Defit-Refits and Replacement Units.

How can I check my RAM credit balance?

Call in on **0330 100 3622** and a member of the team will be happy to provide all the details.

Any Questions? Call us on **0330 100 3622**
